## DOT MATRIX PRINTERS 24-PIN LQ-590II/590IIN

# AN EFFICIENT, RELIABLE AND AFFORDABLE PRINTER YOU CAN RELY ON.

The Epson LQ-590II and LQ-590IIN are designed to offer busy offices extraordinary speed, output quality and reliability. Based on Epson's experience in delivering industry-standard solutions, these printers help you run and grow your business and stay in control of your operations. Easily manage and print seven-part forms^ and reports at print speeds of up to 487 characters per seconds (cps) to deliver fast results and speedy transactions. Moreover, with a high character yield of up to 5 million characters, you can do more with less.

Epson genuine ribbons ensure greater yield, better quality and longer lifespan.

## IT'S IN THE DETAILS.

#### **Increased Productivity**

Enjoy maximum productivity with fast print speeds of up to 487 cps (10 cpi) and 128 kb memory buffer.

## Long-life Reliability

Enjoy cost savings, superior print quality and minimal downtime with a MTBF of 25,000 POH.

### Absolute Convenience

Experience fuss-free printing with built-in network connectivity\* via Ethernet cable.

## SPECIFICATIONS LQ-590II/LQ-590IIN
